

Frequently Asked Questions: Reassessments

01

How do I register for my reassessment?

You must register on the Student Self-service portal by Sunday 27th July. See details on the [Reassessment Procedures page](#).

02

Can I request to delay my reassessment?

No. You must take your reassessments during the reassessment diet. If you are unable to, then you need to apply for [Mitigating Circumstances](#).

03

Can I resit a passed exam if think I can improve my grade?

No. You can only resit an exam if you have failed or have been granted [Mitigating Circumstances](#).

04

Do I pay for a resit I have due to Mitigating Circumstances?

No, if your Mitigating Circumstances are accepted, you do not need to pay the reassessment fee. Payment will be bypassed when registering for a resit with Mitigating Circumstances. [Learn more](#).

05

When do resits take place?

Resits take place between Monday 28th July – Friday 8th August 2025. You can see reassessment & registration dates on the [Reassessment Procedure webpage](#).

06

What happens if I miss/don't pass my resits?

You must make every effort to pass your resits! If you fail you may not be able to continue on your current programme. Do not ignore a reassessment or fail to turn up (without a Mitigating Circumstances application). You may not be able to continue on your programme, or even to continue at the University.
